Our family has mostly certainly enjoyed an adventurous summer crisscrossing our great United States.

As we head into the fall season, we anticipate an even busier schedule as the Lord has allowed us to have a very full traveling calendar. From September through December, we will participate in many missions conferences. We are thrilled and are looking forward to sharing our burden and vision for Singapore and Southeast Asia.

Since our last newsletter, we have now reached the 20% mark in our support. We are thankful for the many new ministries that have partnered with our family.

We were so encouraged this summer as two churches, Liberty Baptist Church, Pastor Jack Cox and Freedom Baptist Church, Pastor Jon White contacted us to inform us that they were taking special offerings during their Vacation Bible School. Freedom Baptist children raised over \$3,100 towards the church plant in Singapore. I was so humbled by their faith and giving spirit.

We spent a few days in August at BIMI in Chattanooga, Tennessee during the Church Planting School. We are always encouraged by these great missionary servants.

Chantha is pictured here with BIMI President Emeritus, Dr. Don Sisk.

While visiting California earlier this year, Chantha was able to lead his 15 year-old nephew, Justin Man to the Lord. This was a huge answer to prayer as much of the immediate family are still Buddhist. Pray that Justin will attend a Bible-believing church in the area.

The life of faith has been a wonderful life for the Chhim family. We love seeing God answer daily prayers in the most personal ways. For example, since our last prayer letter, we have seen the following answers to prayers:

- Video Projector - Donated by Randy Proctor & Gospel Light - Hot Springs, AR.*
- Printing Needs - Donated by Eastside Baptist Church - Nebo, NC.*
- Service to Car - Donated by Ivan Baker & Paul Thompson*
- Travel Display - Donated by Lawrence Swicegood*
