

Nepal Leadership Centre

SEAL Leadership Training Centre. We are grateful for the strong interest amongst Indians and Nepalese towards our leadership training centre that will officially open in July. Pictured above is our local coordinator, Hanson, meeting with and encouraging local leaders about the new ministry in Eastern Nepal.

Missionary Kevin Connor Visits Crosslight. Kevin and Paula have been such a huge blessing to our work for the Lord in Singapore. This is Kevin's second visit to Crosslight. Our church family loved having him and Paula. The Lord has used them to encourage our congregation on several occasions but specifically at our annual missions conference in May. As a Mandarin speaking missionary, Kevin has a heart for the Chinese people, hence, he has always been able to connect well with our congregation in Singapore.

Mother's Day Highlights. We enjoyed a wonderful time celebrating the moms of Crosslight. I am encouraged by the strong desire that our ladies have to not just be good moms, but also to be godly moms.

USA Guests. We always enjoy having friends from America visit us in Singapore. However, when those friends are also financial and prayer partners that are able to witness their personal missions investment, it is so much more rewarding. Patrick and Maria Culley have been faithful supporters since 2013. We had such a sweet time showing them around Singapore, but more importantly, having them to meet various members at our weekly church prayer meeting.

Exciting news! New Place of Worship. For the past few years, we have been limited in many ways due to our present location as we only have access to our meeting space on Sunday mornings for a few hours. Recently, the Lord provided a new place of worship. We plan to shift over in the month of July. Our church family has sacrificed much towards raising the \$40,000 needed for us to move, but we need your help. If the Lord would lead, would you prayerfully consider giving toward this great need? All donations of \$1,000 and above will receive special recognition on a plaque to be hung in our church as a testimony of God's provision and your partnership of our work in Singapore.
