

New Worship Auditorium

**Grand Opening of New Crosslight Worship Auditorium.** After 2 1/2 years of rental in a temporary location, God opened the doors for our church family to begin establishing a more permanent presence in Singapore. In July, we moved into our new rental space. It took thirty days to raise funds and finish the work in this new place, and we praise the Lord for how He provided. We still have needs but are patiently trusting the Lord and allowing our members to pray and work toward these needs.

**6 Saved.** In the month of July, we had the opportunity to lead six people to Christ. We are so thankful for these new salvation decisions. It has been so rewarding, especially for Susan who has been intentional about introducing salvation to the children. Susan has been waiting patiently for these seeds to begin sprouting. On different occasions in July, several children have received Christ as their Saviour. To God be the glory!

**5 Baptized in Singapore.** I had the privilege of baptizing five new believers. Among the five was our youngest son Carter.

**Grand Opening of Nepal Leadership Centre.** What an amazing experience we had in Nepal! Our Nepal SEAL team did a fantastic job in working towards establishing our new school. We had a few hundred attend the grand opening ceremonies. I was so thrilled to meet so many Nepalese leaders that have a strong burden for their people. They were so grateful for the spiritual investment being made in this needy land.

Our vision in Nepal is to establish one new church plant in the seventy-five districts that make up Nepal. We currently have sixteen districts in which we are already serving and planting the initial seeds of a church plant.

**3 Baptized in Nepal.** While in Nepal, our team had three new converts that needed to be baptized. Our team of ten hiked through the gorgeous Himalayan valley to a distant watering hole in which we baptized. What a rewarding experience it was to baptize these new Nepalese believers!
