

APRIL 2017

43 New Graduates Sent to Serve the Lord in India

**India College Commencement.** In March, I traveled to speak at the commencement exercises of Bharat Bible College outside Hyderabad, India. This Bible college has sent out nearly 2,000 graduates into the gospel ministry over the last fifty years. We are grateful to see a rejuvenation in the spirit of the college. SEAL will coordinate an effort for continued strengthening of gospel-labourers in India.

**Land Donated in Nepal.** Recently, Pastor D.B. Rai from Kakarvita (near the Indian border) has been visiting our different events hosted by SEAL at our Leadership Training Centre. Due to his age, the church has not been in operation for the last year. The Lord led him to donate land to our ministry to build and establish a new church. One of our SEAL student will graduate in May and will then plant Crosslight Baptist Church of Barhara, Nepal.

**Two saved in April in Nepal.** Praise the Lord for our team who faithfully share the gospel in Nepal. A young couple trusted Christ as their Saviour.

**Visa Update.** Praise the Lord for answered prayers. You bombarded heaven. God heard you! We shared in our last newsletter about our visa and we rejoice that a two-year visa was granted.

I am grateful for the opportunity to be a part of the missions weekend at Lighthouse Baptist Church in Rockhampton, Queensland, Australia. We were able to see 6 saved in a youth and young adults meeting.

Can you spot Corban and Carter? They are the Asian boys with black hair in this photo.

Corban and Carter had the opportunity to be a part of a local soccer tournament with their club. They did extremely well and were awarded accordingly. We utilize these programs to connect, testify, and invite families to visit our church.
